

Employment Services

Employment Services are designed for persons aged sixteen and older, who have been diagnosed with FASD or are clients of LCFASD. The goal is to enhance skills and abilities, pursue appropriate employment goals, increase self-reliance and community participation. Employment Services offer:

- Personalized Support
- Group Training
- FASD Training for the Workplace
- Work Placement
- Volunteer Opportunities

Our personalized support and group training is focused on building employment readiness skills along with life social skills. This includes but is not limited to:

- Resume Building
- Interview Skills
- Teamwork Building
- Goal Setting
- Self-Care
- Professionalism
- Explore Recreational Leisure Activities

Group training is offered throughout the Lakeland Region. Group services run from 11am-1pm. Lunch and Refreshments are provided.
